

Oakland Technical High School

04/01/2008

Greetings New Bulldogs,

Welcome to the Oakland Technical High School community! We are preparing for your arrival, and in order to complete the incoming freshman class schedules, we are hosting a Freshman Course Selection Day. Freshman Course Selection Day provides a time for families to meet with a counselor and receive information about our programs and electives. At that time, students will select their courses for next year. This event will take place on the following:

Date: Friday, April 11, 2008

Time: 4:00 pm- 7:30 pm

Place: Library. *Please enter through the main entrance.*

The library is located directly across from the entrance.

Please feel free to drop in during these hours; the entire process normally takes between 10-15 minutes. In order to expedite this process, please bring a copy of a recent report card or transcript that you can leave with a counselor. If you are unable to attend, please contact the ninth grade counselor, Ms. Gloria Lassitter, at (510)879-3050 to make arrangement to select your child's courses.

We look forward to working with you in the future.

Respectfully,

Ms. Sheilagh Andujar

Principal
