

Addendum: Schedule Modification for High Priority Students (March 30 – May 27)

On March 30, Oakland Tech reopens for in-person instruction by credentialed teachers for high priority students in grades 9-12 who have opted in. The modified schedule keeps the current distance learning schedule intact to the extent possible. In-person learning for high priority students is provided in two 2-hour afternoon blocks on Tuesday and Thursday in small stable groups (cohorts) of between 5 and 8 students (shaded blue in the schedules below). The focus of the in-person learning will be on social-emotional development and study skills help. The revised schedule for SDC students who have opted for in-person learning is shown on the last two pages of this Calendar. See [OUSD Spring 2021 Hybrid Educational Program Schedules](#).

Introduction to Oakland Tech’s Block Schedule

Oakland Tech operates on a block schedule, which means that half the classes are offered face-to-face with the teacher on one day, and the other classes are offered face-to-face the next day. We call the first day an “A Schedule Day” and the next day a “B Schedule Day”.

On Wednesday, the face-to-face classes are shortened and all classes meet in the morning. We call this our Minimum Day. This provides planning time for teachers after lunch, and time for students to work on assignments off-camera.

For weeks that include a Monday holiday or a Friday non-student day, the Wednesday schedule is omitted, and the A day and B day are shifted over by one. This allows the first day of the week always to be an “A Schedule Day” and the next day to be a “B Schedule Day”. The school year calendar shows these adjustments. A days are yellow; B days are green; and Wednesday minimum days are orange.

The school year calendar shows the classes that meet each quarter. The first half-year of the classes for Periods 1, 3, 5, and 7 meet during Quarter 1. Then the second half-year of these classes meet during Quarter 3. For the other periods, the first half-year meets in Quarter 2, and the second half-year meets in Quarter 4. There is a separate table that shows the starting date for each quarter. It also shows the ending dates for each marking period. There are two marking periods in each quarter. Generally, report cards are mailed one week after the end of the marking period.

For clarity, the schedule for each week is provided below and displayed on the school website at oaklandtech.com. The website will be updated on a weekly basis, so this will always be a place for students and families to check for the correct schedule. For Wednesdays that are Minimum Days, the correct way to read the schedule is to focus on the times shown in the Wednesday column. They are different from the times for the other days.
